

MIYUKI BEAD SHAPES AND SIZES

By : Perles & Co

0 minutes

Miyuki pearls are seed beads from Japan. Perfectly regular, they are much appreciated by beaders and bead-weavers alike. The best known are Miyuki Delica 11/0 pearls, but there are many other shapes and sizes. How do you find your way around? Find out in our table below!

Once you've learned all you need to know about these little glass beads, all you have to do is choose your favorite colors to make bracelets, necklaces, earrings, rings... Get inspired by our [seed bead jewelry tutorials](#)!
