### *How to make punch needle?*

What is the punch needle?

How is the punch needle used?

It is an embroidery technique embossed thanks to this tool called also needle to puncher or magical needle . We stitch on the underside of a canvas or fabric and small looplets are formed on the spot. You will be able to embroider cushions, frames, clutches and many other decorative accessories.

Embroider as quickly as if you were drawing with this Punch needle accessory. It is ideal for starting embroidery.

Realize different points: loop, back stitch, satin stitch.

What technique to adopt to use the punch needle as an embroidery accessory?

1. Pass the chosen wool through the hole of the needle and into the notch of the handle of the punch needle
2. Work your book right side up
2. Secure your first point by tying the end of your yarn / wool on the back of the book
3. Cross the embroidery fabric with the needle, notch facing up
4. Gently pull up while staying flush with canvas
5. Slide the needle again according to the desired pattern
6. Repeat as many times as necessary

In this video, Julie Robert uses the Needle Oxford Punch size 10 . For reasons of stock, it is possible that it is out of stock. You can use the Adjustable Needle Punch size 10 or the Needle Punch with 3 different needle sizes.
