

9 GIFT IDEAS FOR FATHER'S DAY

By : Laurence

Father's Day is fast approaching and you still have to find the perfect gift. This year, we avoid the bottle of wine, the book or the key ring. For Father's Day 2023, we're going for personalized gifts.

Yes, you'll have to get your hands dirty. But you still have a little time to be ready on D-day.

Giving an original gift to your father, or the father of your children, can be complicated. The bracelet is an excellent choice for a Father's Day gift. Easy to make, it's what dads usually prefer.

For a gift for men, choose materials such as leather, cotton cords, macramé wire, natural stones, Heishi beads, silver or stainless steel. The best gift to spoil your dad is the one you make with your own hands. He will be amazed!

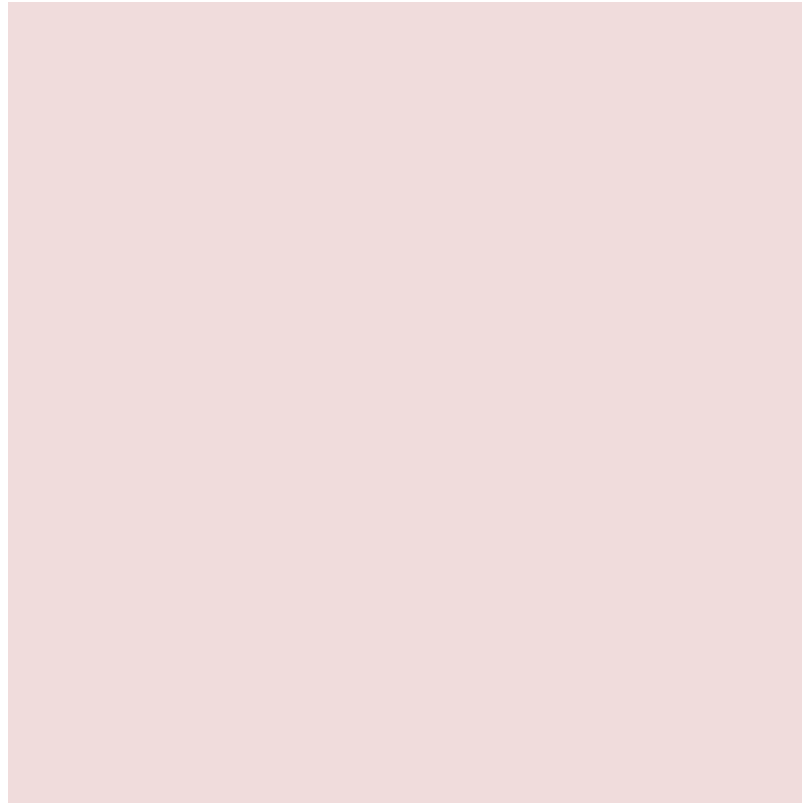

Here is a selection of men's bracelets to make to please your daddy dearest!

How to make a nice gift for Father's Day?

• A PERSONALIZED BRACELET FOR MEN

No need for special tools to make this natural stone bracelet. The color and the raw aspect of the lava stone are very appreciated by men. If needed, help the little one to write a word or the first name of his dad and to make the macramé knot to finish his creation. It's impossible not to fall in love with it when he gives it to her!

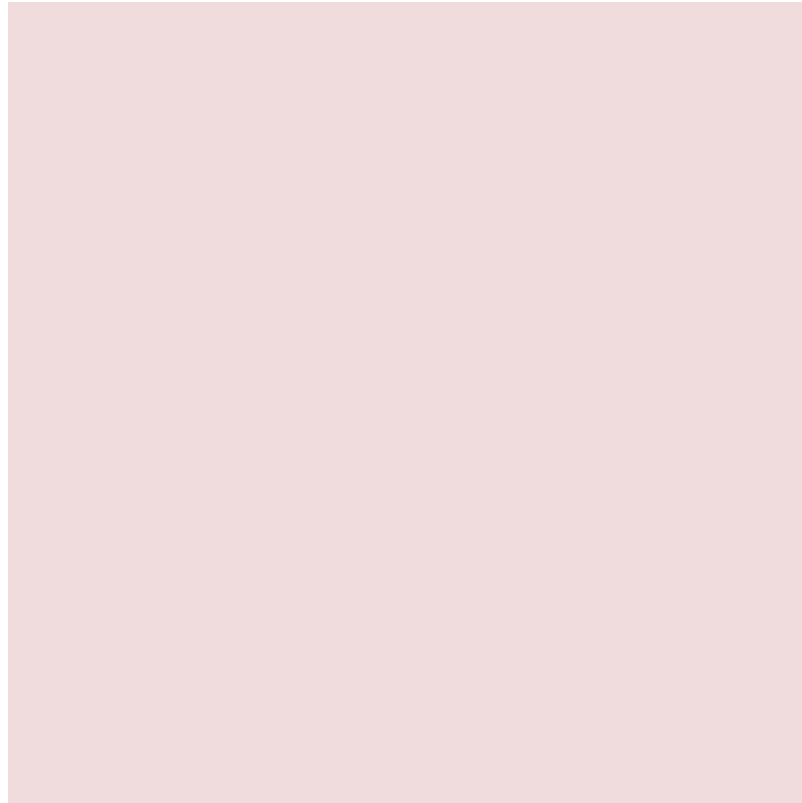

• A PEARL BRACELET FOR MEN

We see more and more this kind of pearl bracelets on the wrist of these gentlemen. The fine stone beads go with all styles (casual, rock, chic, classic ...) and bring a discreet refinement to their look.

We chose Indian agates with their wide range of color. But you can take other gemstone beads depending on his favorite color.

• AN ENGRAVED MEN'S BRACELET

An engraved bracelet is the perfect personalized gift for dad! Engrave on charms the initials or first name of his children, or a small message full of love like "Super Dad" or "I love you". Here is a unique jewel that he will be proud to wear on his wrist.

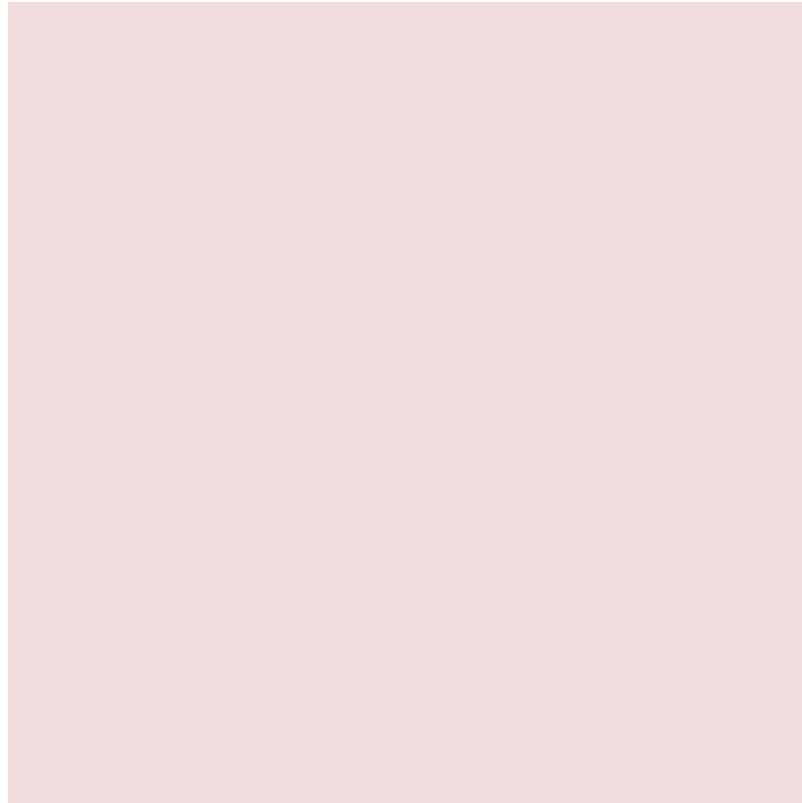

Knowing how to engrave metal requires a little practice and dexterity. There are different tools for engraving metal, such as punches, the Dremel Engraver or the micro engraving pen. In our video, we show you the different metal [engraving techniques](#) to learn how to engrave metal.

• A STAINLESS STEEL MEN'S BRACELET

Stainless steel, especially when it's silver, is a metal that men love. And your dad will be no exception. For this gift idea, we propose an easy model that all beginners can make. Simply choose the chain you like from our wide range of stainless steel chains and add a clasp to it. The stainless steel bracelet is the perfect Father's Day gift to make in just a few minutes.

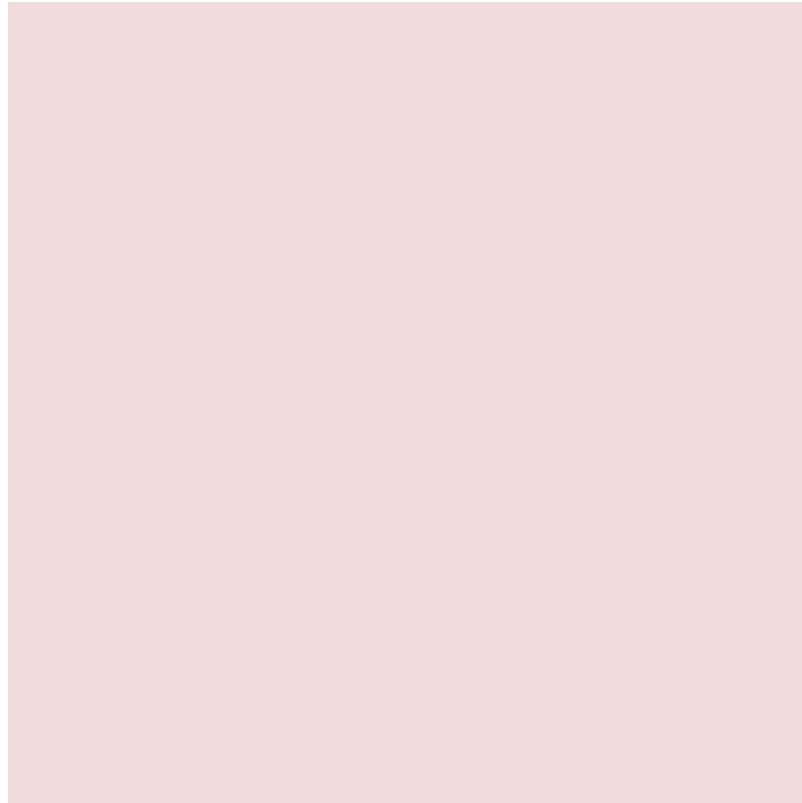

- A MEN'S CORD BRACELET

The cord bracelet is also very simple to make. Its lobster clasp will allow him to put it on and take it off easily. We have put in a lucky eye but you can put other charms by making a nod to one of his passions.
In addition, you can create the female version with a matching braided cord bracelet. It will be the perfect gift for Mother's Day.

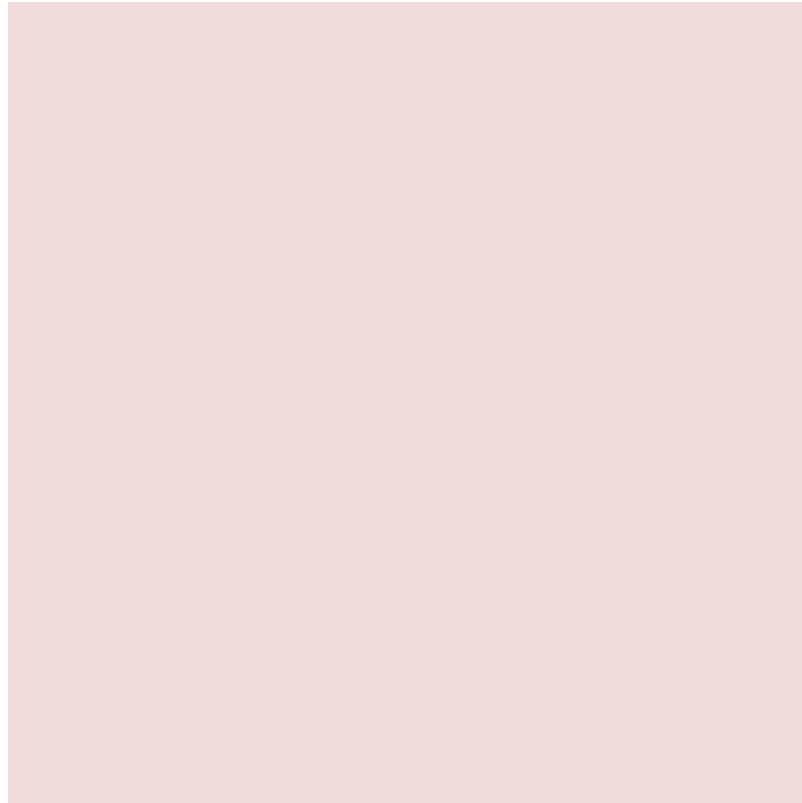

• A MEN'S MACRAME BRACELET

This macramé bracelet won't spoil the surprise because you don't need to know your father's wrist size to make it. It ends with a macramé flat knot that allows you to adjust it to any wrist.

Choose his favorite thread color and go for it! You can even mix different colors on the same bracelet.

Promise, it's very fast, there is nothing complicated. A great gift to make with your own little hands even at the last minute.

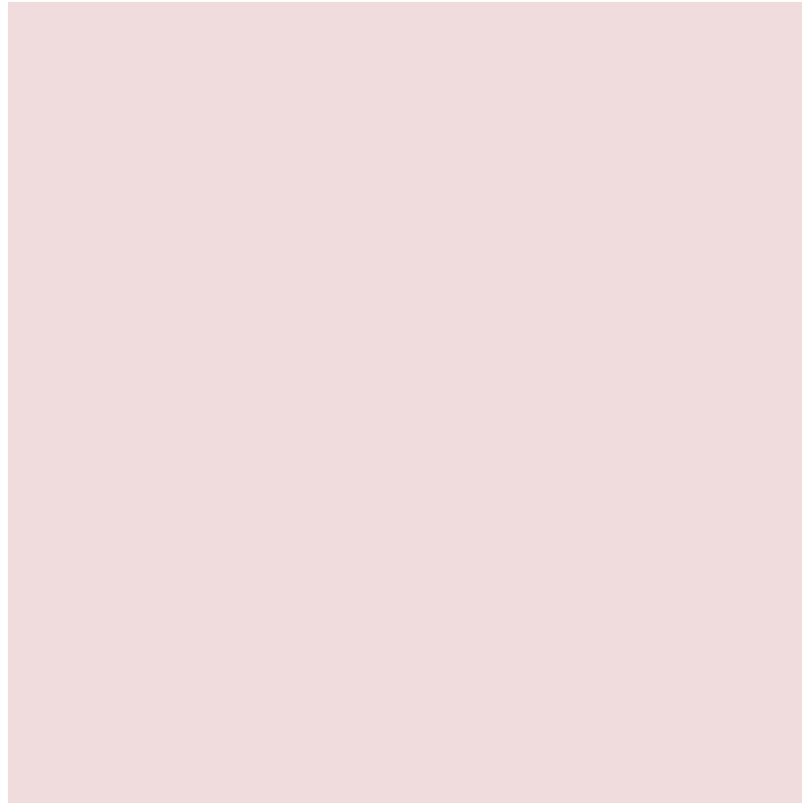

• A MEN'S MULTI-ROW BRACELET

Another easy bracelet to make yourself! This men's bracelet is made of a mix of materials: leather, stainless steel, Heishi beads. Its secret? It's that in reality, it's not a 3 round bracelet, but two very distinct bracelets. Your dad can wear them independently or in a trendy accumulation.

This multi-row bracelet will quickly become the must-have jewel of his daily life.

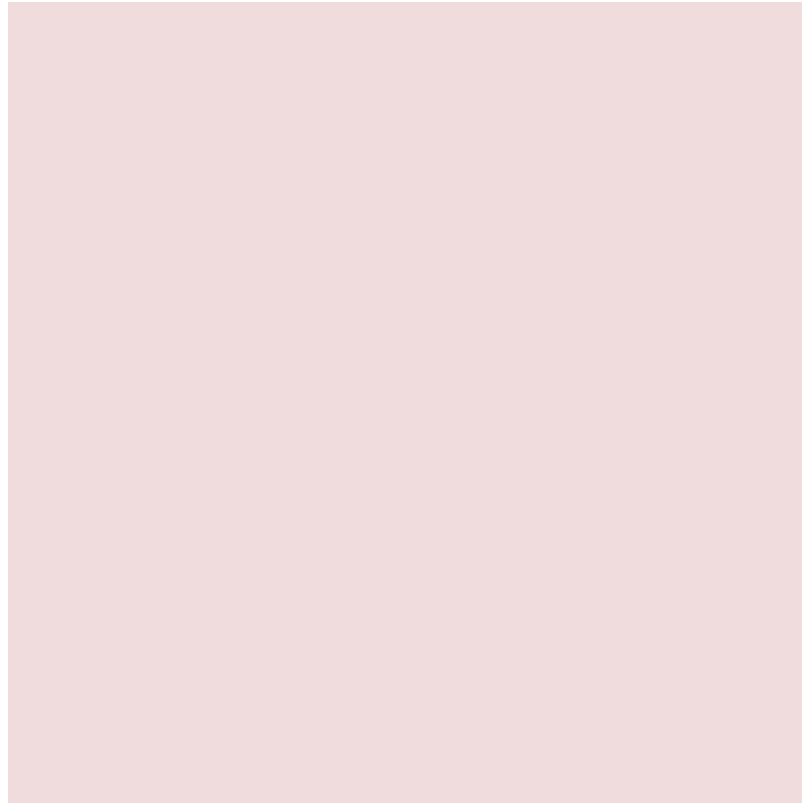

• A HEISHI BRACELET FOR MEN

Here is a nice gift for the casual dad! To make this original bracelet, just mix lava stone beads with Buddha beads to make a Zen bracelet. We suggest you make another version with Greek crosses, a very trendy symbol. This original Father's Day gift is sure to touch his heart!

- A MEN'S CORD BRACELET

This is the perfect Father's Day gift for those who are running late or have very little time on their hands. It's so quick and easy to make, you won't believe it. No need for a clasp to hang it, your dad will just have to tighten the cord to adjust it to his wrist. It will definitely make an impact!
