

9 JEWELRY TRENDS FOR THE SPRING-SUMMER 2024 SEASON

By : Laurence T Perles&Co

0 minutes

At Perles & co, the approach of summer is galvanizing us more than ever. And it's giving us creative ideas. But what are we going to wear for the spring-summer 2024 season? For this new season, we're going for timeless jewelry, but we're also going for XXL pieces. Here are 9 trendy jewelry ideas seen on the catwalks:

Bubble jewelry

This season, XXL jewelry is a must. And one that has particularly caught the eye of fashionistas and influencers is bubble jewelry. Maximalist and elegant, this jewelry with its rounded shapes and generous volume will be a must-have for the spring-summer 2024 season. Bubble-effect jewelry has a 3D effect. They can be worn around the neck or on the wrist. We also love them as [imposing rings](#) or [XXL drop earrings](#). Discover our selection of [bubble jewelry](#) and succumb to this trend!

Freshwater pearl jewelry

Freshwater pearls have been in the spotlight for several seasons now, much to our delight. And for good reason: freshwater pearl jewelry is timeless. Far from being a cliché, cultured pearl jewelry goes with every look, whether bohemian, classic or glam rock. And even if you're into streetwear, it works too! Here are our favorites: a [simple necklace](#) to suit everyone, [dangling earrings](#), and a [multi-strand bracelet](#) to wear without moderation. But if you'd like to find out more, we've put together a small selection of [freshwater pearl jewelry](#) you absolutely must have! And if you're wondering what the difference is between cultured pearls and freshwater pearls, well, there isn't one! Freshwater pearls are cultured pearls, but instead of being cultivated in the sea and oceans, they are bred in lakes and rivers. If you're curious, take a look at our technical data sheet.

Heart jewelry

Did you know that the heart is one of the most popular designs in jewelry? Some find them too kitschy or too girly. One thing's for sure, though, and that's that heart jewelry will be a must-have for the spring-summer 2024 season. Trendy and uncomplicated, we'll be wearing them everywhere: in pretty [earrings](#), [bangle-style bracelets](#), or on an original [woman's necklace](#). Want to see other heart jewelry ideas? Visit our database, where we've put together a small selection of knotted pieces.

Flower jewelry

Flowers are the symbol of renewal, femininity and purity... A true ode to nature, we love the bucolic spirit of floral jewelry. And what's more, flower jewelry suits every style. Simply combine a [cage](#) with a resin [flower](#) for a simple, colorful look. Combine an [oversized pendant](#) with a flower-shaped [stud ear](#) ring for a bold look. Or opt for the combo of a gilded stainless steel [stud earring](#) and a [hollowed-out flower pendant](#) for a streamlined look. On our site, you'll find small, colorful flowers, worked flowers, golden flowers or silver flowers... In short, you'll find everything you need to indulge yourself and create endless DIY costume jewelry creations!

Shell jewelry

With the arrival of fine weather, we're craving the beach, white sand and turquoise seas... While we're waiting for the vacations, we're wearing beach jewelry... preferably with shells! And we'll be wearing them everywhere: on [bracelets](#), earrings, [lucky charms](#) or [colorful necklaces](#). Seashell jewelry is both the cool and bohemian must-have of the spring-summer 2024 season. They add a touch of freshness and originality to our outfits. What's more, their natural charm offers a multitude of creative possibilities. And there are all kinds: the indestructible cowrie shell, the mystical eye of St. Lucia, the spiral shell, the scallop... Need inspiration? Discover our 16 [seashell jewelry](#) ideas for the latest trends.

XXL earrings

The return of oversized ear rings that plunge down our necks. Gold, silver, colored or stylized, they're not just for evening wear: we wear them everywhere, all the time, to assert our look. Their imposing size illuminates your face and instantly catches the eye. And the best way to show off these XXL jewels without too much effort is to wear them with a simple outfit with nothing around the neck.

The choker necklace

What's a choker necklace? Even smaller than a choker necklace, the choker or choker necklace is a type of necklace that fits snugly around the neck. It measures between 35 and 40 cm and is worn to fit snugly around the neck. It was very popular in the 90s. So it's hardly surprising that it's back in fashion! All versions of this little necklace are in the air of the times: baroque, punk or even more delicate, very feminine, adorned with [pearls](#) or lace, a summery version with [shells](#), with a simple [lace](#)... Let your imagination run wild!

Bead weaving

Granted, making jewelry with pearl weaving requires a bit of know-how. But with a little practice and a lot of patience, the results are breathtaking. We love [acorn rings](#) and [dangling earrings](#). If you're tempted by this technique, you'll find plenty of information sheets on our site to help you [learn how to make beautiful weavings](#), and many [free tutorials](#) to inspire you. While not everyone is a fan of Miyuki beads, there's nothing to stop you decorating a [customizable ring](#) with gemstones. It's simpler, more affordable, but just as pretty.

Large links

Jewelry with [large links](#) persists and makes a name for itself! Whether in acrylic, gold or silver, they are once again at the top of the bill for the spring-summer 2024 season. In [necklaces](#), [earrings](#) or [bracelets](#), they're perfect for making trendy jewelry and looking bold. Chunky links always make an impact. Quick and easy to create, most of the time it's just a matter of assembling the jewelry, accessible to everyone. So why not give it a try?
