How to make fancy earrings quickly?

Want to shine all summer long with original, colorful earrings? This DIY tutorial is for you! With a few creoles, heart or acetate earstuds, and a selection of shell, starfish, fish or heartpendants, create trendy jewelry, perfect for the summer season.

This project is ideal for everyone, from beginners to experienced designers, allowing you to have fun with shapes, colors and textures. Do you like Neon, glitter, fancy patterns or pearly hues? You're free to invent the earrings that suit you! Play with round or oval creoles, mix glitter pendants, marine shapes or playful hearts to create matching or mismatched pairs, depending on your mood and outfit.

Here are a few ideas for pairings... but it's up to you to create the combinations you like! Inspire or reinvent: anything's possible. More of a silver team? Discover in variation all the products to make these earrings in a silver version: an elegant and luminous alternative to vary styles while keeping the same creative touch.

Stainless steel or acetate earstuds are perfect for summer: they're water-resistant, won't tarnish and are comfortable to wear every day. An excellent do-it-yourself gift idea, or simply a great way to treat yourself with unique jewelry.
