Which Gold Filled ring stand to choose?

How to make a ring?

The weather is back in force so it's an opportunity to make an easy ring in Gold Filled! We offer a super simple tutorial today with beautiful charms in Gold Filled shell, starfish or pretty balls.

To attach your charms to your ring nothing more simple! Use Gold Filled rings and open them thanks to our tongs, they are also necessary to realize this tutorial ... The rings are so fine that even fairy fingers could not get there without this little thumbs clamp . Find our technical sheet " [How to open a ring?](#) " That will answer all your questions.

In short find all the explanations in the video with the steps, it is an ideal tutorial if you start in the creation of jewelry but be careful, once in it never stops. You had been warned!

To make it short, open your rings, attach your charm and then fix everything on your pretty adjustable ring.

To you to create and choose what charms will adorn your jewelry, rather a bohemian summer style with seashells? or the fashionista blogger style with crosses?

And why not both ? The stacking of jewelry and especially rings is more than ever trend and we will not escape for the summer, find our article "How to achieve an accumulation of rings?" with all our advice to master it from A to Z ... And if we combined it all with a [stacking of necklaces](#) in Gold Filled?

Discover all our [charms in Gold Filled](#) and choose yours! We advise you to choose charms smaller than 11 mm unless you want an oversize effect.

Now it's up to you to play and we can not wait to see the result, share it with us on our [Facebook page](#) or on Instagram with [#perlesandco](#) .
