How to make an easy bracelet?

How to make tagua jewelry?

Tagua is vegetable ivory, so it's perfect for making beautiful jewelry without harming any animals!

So you can create natural, ecological jewelry that respects the environment.

It's the fruit of the ivory palm in Tropical America or Africa and can be used to make little figurines or buttons, and at Perles & Co we offer you... tadam... beads.

You'll find all our products in Tagua, chips, round beads, slices or clover-shaped beads - in short, we've got what you need, in every color.

So how do you make an easy bracelet? We'll show you in this trendy tutorial with a coarse-mesh chain, a Gold Filled clasp and a pretty clover-shaped bead. Perfect for Mother's Day, eh? See all our other tutorials to spoil your Mum.

Don't hesitate to share the result with us on social networks, on our Facebook page or on Instagram with #perlesandco or tag us!
