How to make an easy ring?

How to make an easy ring?

How to customize a ring?

At the time of the trend stacking, we dream of rings by the thousands, so we offer 10 tutorials in 1 to make pretty rings trend for this summer. Nice, no?

Also find all the tutorials of the month: Gold Filled charms ring, easy woven ring with faceted bohemian beads, Cauris shell ring or resin ring with inclusion of plants, you choose your style!

Fall in love with our adjustable Gold Filled ring and combine it with a charm or a pretty rock or bohemian pendant. You'll be spoiled for choice in all our 3 micron gold plated pendants.

Attention we prefer to warn you: Easy tutorials !

For each DIY, when you have two titles is that the technique used was the same for each jewelry.

Platinum and white gemstone ring / Adjustable ring and white gemstone

- Step 1: Apply hasulith glue on the ring tray
- Step 2 : Glue the gemstone cabochon and let it dry overnight

Fine ring with gold thread and gemstone / Fine ring with gold thread and its flat interlayer

- Step 1 : Cut your wire with a pair of pliers, measuring 1 and a half times around your finger
- Step 2 : Thread your thread through the hole of the black gemstone and then wrap it around itself 6 times (or more if you want to give another style to your ring).
- Step 3 : Repeat on the other side to finish your ring (make sure it fits snugly on your finger).

Adjustable ring ring and its 3 micron gold-plated pendant

- Step 1 : Open your ring with a pair of pliers and then put on your pendant (you can consult our sheet "How to open a ring?" If you are new to jewelery creation)
- Step 2 : Hook it on the adjustable ring.

Ring set with Onyx stone / Flat ring and cabochon set with white

- Step 1 : Open the claws of your set with a pair of pliers and position your stone.
- Step 2 : Close the claws on the stone. You can help with our technical sheet How to crimp cabochons?
- For each ring the technique is the same!

Black gold plated ring

- Step 1 : Clean your ring well
- Step 2 : Color the bottom of the ring avoiding the 3 points using a Posca felt. You can vary the colors with all our felts !

And now, all rings are ready for you to see if you want to keep them all or give them to your Mom! Tell us about social networks ...
