How to easily make fancy <u>feather</u> earrings?

You also absolutely want to make a pair of feathered <u>earrings</u> ? We will help you !

In this video <u>tutorial</u> discover how to make this beautiful pair of earrings with the Jujuhat style, which for some years has become a <u>decorative</u> element bringing a bohemian touch and super trend to our interiors!

So why not make jewelry?

Short historical parenthesis, Jujuhats are at the base of adornments worn in Cameroon by chiefs, officers and dancers during rituals and ceremonies.

Adopt these curls for a bohemian chic style or just as well dressed, we will also advise you to highlight them with a nice bun!

For those who prefer smaller and lighter curls do not hesitate to re-cut them to the size that suits you, we give you the ideas and you create!

Change the style of your earrings by using different <u>feathers</u> of different colors and patterns.

And of course if you have vied deco, know that this technique can also be used to make yourself your <u>feathered mirror</u> .

Do you fall too!

Now you play, precision and patience will be asked for this beautiful creation, find all the expications in the video, good luck!
