How do you find a personalized, inexpensive gift idea for the mistress?

The answer is in our tutorials, of course! Today we're giving you a great DIY idea for the teacher or childminder, a lovely gift to celebrate the end of the year and that will please the person concerned.

Together we're going to make a key-ring, a homemade gift idea for the teacher, because believe me, she'll be very happy to see that you've made it with your little hands!

This is an easy tutorial that you can do with your mom or dad, especially for the drying stage on a needle, which can be a bit tricky. The same goes for painting the wooden beads.

You can give it to your teacher or nanny, she'll be so happy. Psst, you can use this tutorial as a Christmas gift for Mom, Dad, Grandma or Grandpa - just change the colors.
