How to make original wooden earrings?

This is the latest fashionable trend of podiums, the influences are just that: the earrings XXL ! You do not have yours yet? So let yourself be tempted by this DIY DIY tutorial !

Like us, you will inevitably fall for these big dangling wooden earrings ! Light and comfortable to wear, you will not leave them! How to wear big dangling earrings? Denim shorts, a white T-shirt, a pair of sneakers, a little draft bun, and here's an ultra hot look for this summer!

Tip: avoid loading your look with a big necklace, bet on simplicity!

To make these fancy wooden earrings , we advise you to have the basic material for DIY jewelry making:

- Cutting pliers
- Jewelry glue

Step 1 :

Cut, with cutting pliers, the ring behind the ear studs.

Repeat on your second stud.

2nd step :

Glue with the E6000 jewelry glue or Hasulith glue the ear studs on your wooden pendant. Make sure to hide the hole of the pendant.

Wait 24 hours for the glue to dry.

It's over, easy, right? We start again with other earrings XXL? See our other jewelry tutorials .
