How to make creoles?

How to make mini-hoops?

Today we offer you to make in a few minutes pretty earrings all mimis with our latest news. And yes, because the trend is in the spotlight of mini-creoles, we decided to devote a tutorial to it! You like ?

Rather golden, with touches of rhinestones, mother-of-pearl and a little color, this assortment of mini-hoop earrings is likely to match any look! But the great thing is that the model can be used endlessly. You can therefore make a wide variety of models and in accordance with your tastes. So who's tempting?

For an asymmetrical version of the mini creoles:

DIY Mini gold plated hoop earrings moon and mother of pearl charm

In addition, very simple to make you will only need to bring your jewelry clips , easy right?

Beginners? Some technical sheets on the basics of jewelry creation:

How to open a ring to make a jewelry

How to make a chain pompom

How to do gold filled lettering?

Now that you've been given some tips, it's your turn!

The stages :

Nothing complicated, for each of the pairs of earrings proposed in this tutorial, you only have to connect the charm of your choice to the sleeper thanks to a ring.

You can however give free rein to your imagination and choose to make things more complex by combining the charms, adding pompoms or sequins

And yes, as we said, this tutorial is very quick! Your mini-hoops are already ready! All you have to do is wear them! So, what look are you going to marry them with?

You know at Perles & Co we are a little curious ... so do not hesitate to show us the result of your creations by sharing a photo of your creations with us on social networks: our Facebook page and our Instagram page
