Tutorial: Making a Pirois glass bead necklace by Puca
Just for you ... another tutorial with the new pearls by [Puca](#), the Pirois! It's spring and also the time to put some color back into our daily lives.
Beginner? Easy and quick tutorial is a good introduction to getting started, so don't hesitate for a second.

Can't seem to decide on the colors? We understand it is sometimes difficult. But this tutorial is also an opportunity to mix several and have fun. So, without further delay, find our full range of Pirois colors on our site to create a colorful piece of jewelry.

The great thing about this tutorial is that you can make a bracelet as well as a long necklace (or both!). Here is what to make a pretty finery while waiting for the beautiful days. Find without further delay the necessary material at the bottom of the page to make a sash of about 1.20m and a bracelet.
For those who want to go further, find [all the Puca tutorials](#) on our site.
It's your turn!!
The stages:
Step 1: Place 1 Pirois, 1 R11, 1 R8, 1 R11 in a loop in the Pirois

Step 2: Solidify and come to the place shown on the photo

Step 3: Place 3 R15 in the Pirois

Step 4: Place 1 Pirois, 3 R15 and go into the Pirois

Step 5: You get this

Step 6: Continue by repeating steps 4 and 5

Step 7: Vary the colors, number of Pirois according to your desires

Step 8: For the end again perform step 1

Step 9: Place your clasp in the R8 using a ring

Here, your creation is already finished! Pretty quick and efficient, right?
