

## TUBE-BEADS BRACELETS WITH BRAIDED NYLON THREAD

By : Perles & Co

Easy

0 minutes

Cut 16.5 cm of nylon thread.

Put some glue on each end for easy donning and prevent the thread from unraveling.

Slip 4 crimp beads, the tube and 4 crimp beads again.

Position the lace-fasteners using the plier , then connect the clasp thanks oval jumpings.

## Which material to use for Tube-beads bracelets with braided nylon thread?

### SUPPLIES
