

## NUT BRACELET WITH LEATHER CORD AND MAGNETIC CLASP

By : Perles & Co

Easy

0 minutes

Step 1:

Cut 6 pieces of about 19 cm leather cord (4 Brown and black 4).  
The length can vary depending on the size of your wrist.

Step 2:

Glue all the strings at one end in the clasp of E-6000 glue.

Step 3:

Slip the 3 Stainless steel beads.

Step 4:

Glue the other end of the cord into the clasp.

finished!

Which material to use for Nut bracelet with leather cord and magnetic clasp?
