

## HEAVENLY BASKET CROCHET

By : Mon joli tricot

Intermediate

5h

This is the easiest model to achieve. It is made mainly from chains linked together by tight meshes.

Step 1 :

Crochet a chain of 4 stitches in the air. Make 1 slip stitch in the first stitch of the chain to close the circle. Make 8 stitches tight in the circle.

Step 2 :

Make 1 increase in each of the sts of the previous round (16m.)

Step 3:

Make a tight knit, an increase, and repeat 7 times this sequence (24 stitches).

Step 4:

Make 2 sts tight, one increase, and repeat 7 times this sequence (32 meshes).

Step 5:

Make 3 sts tight, one increase, and repeat 7 times this sequence (40 meshes).

The base of the trash is over.

Step 6:

Make 1 chain of 3 meshes in the air. Connect the chain to the base of the basket by 1 close stitch jumping a stitch. Repeat this sequence 18 times. At the end of the turn, make a chain of 3 stitches in the air and connect first round to start the next round.

Step 7:

Make 1 chain of 4 stitches in the air. Connect the chain in the center of the chain of the previous round by 1 stitch. Repeat this sequence 18 times.

Step 8:

Make 1 chain of 5 stitches in the air. Connect the chain in the center of the chain of the previous round by 1 stitch. Repeat this sequence 18 times.

Step 9:

Make a chain of 6 meshes in the air. Connect the chain to the center of the previous round by 1 stitch. Repeat this sequence 18 times.

Step 10:

Make 1 chain of 6 stitches in the air. Connect the chain in the center of the chain of the previous round by 1 stitch. Repeat this sequence 17 times. At the end of the round, make 1 chain of 6 stitches in the air and connect this chain in the center of the chain of the previous round by 1 slip stitch to complete the work. Cut the thread about 10 cm. Using the needle tapestry, enter the 2 threads.

Make the syrup and the starch thanks to the card "[Realization of the syrup and the starching](#)".  
You can also starch your achievement with the [fabric hardener](#).

## Which material to use for Heavenly Basket Crochet?

### SUPPLIES
