How to make a cell phone jewel?

How to hang a laptop jewel?

The current trend is to customize your phone by bringing a touch of jewelry, this accessory acts as a cord so you can hang your iPhone or mobile phone on your neck depending on the weight of it because the wire that supports the pearls, but above all it brings a cheerful and chic touch. This necklace cord is easily found at the bottom of the handbag to access your laptop. You can unhook it so you can wear it alone like any necklace since it closes with a small lobster clasp.

Thread thirty colored heishi, a golden disc, around thirty white heishi pearls, a golden disc, 4 white heishi then the budha head. Continue with 4 white pearls a 20 white disc a 10 colored disc and another disc

Thread 40 white heishi, one disc, 6 white, 2 discs. You arrive with these last two pearls in the center of the necklace, continue to thread your pearls symmetrically until you reach the level of the budha's head.

Step 4
Pass a gold metal washer, a heart pearl, a washer for the 3 letters sun, 4 white heishi a disc, a dozen whites, a disc, 10 colored heishi and 10 white to finish with the large pearls. Pass a rock garden in the thread and make a knot on the pearl as on the other side, thread the other rock gardens.

Step 5
Put a ring on each end of the necklace then tie a surgeon's knot around the rings. Pass a lobster clasp on one side.

Step 6
On each side there is a small place where you can slide a wire. Use one end of the remaining thread, pass a few rockeries on each side and then a heart on one side. Tie a surgeon's knot and cut the thread.

Step 7
Cover the places where there are knots with golden pearl covers. You can now open your necklace and hang it on the loop of your phone.
