Which chain to hang your sunglasses on?

Which chain to hang your sunglasses on?

The eyewear cord of the 80s is back again this year on the front of the stage and more particularly the chains of glasses with large mesh !

It is the must have of summer 2020: the big links! Whether it is a necklace, a bracelet or a chain of glasses, XXL jewelry is all the rage on the catwalks.

All influences and Instagrammers are displayed with this eyewear jewel, it is the flagship accessory of summer.

Fine chains, large meshes or cords, what if you made your own?

How to wear your glasses chain?

Light and comfortable, you're not ready to lose your sunglasses!

Nerdy at first glance, its retro and vintage allure will make you succumb. For a quirky and relaxed look, this colorful glasses chain is what you need!

Wear with a simple outfit, denim shorts, a T-shirt, stacking bracelets and voila. Choose original and offbeat sunglasses with rather tinted lenses to be at the forefront of fashion!

Step 1 :

Take 50 cm of large yellow mesh chains and hang it on each side of the golden rectangle chain.

Just open a rectangle link with pliers and slide it into the yellow link.

On the model, there is 6 cm of golden chain on each side.

2nd step:

Hang the eyeglass clips using the round rings.

To be positioned just in front of the ear or further forward on the frame.

The total length of the glasses chain will be 62 cm.

And here is your glasses holder necklace is finished!

Which material to use for Large mesh bezel chain - jewelry?
