Ref. : PEINT-214  
Quantity : 1

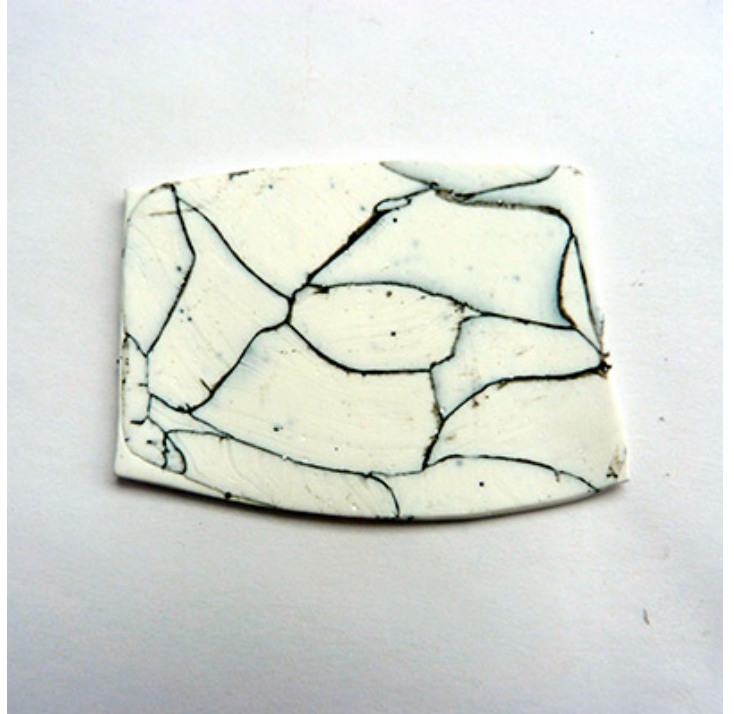

Acrylic paint High Viscosity Pébéo Studio Mars Black x 100ml  
Ref. : PEINT-215  
Quantity : 1

## steps

### ★ Step 1/5

Cut slices from the imitation white marble block, and make a base with white clay, using the wide notch of the pastry machine. Place your slice on top and pass it through the same notch of the clay machine. Prepare a black soleplate at the medium notch of the dough machine, position the black marble slab, roll to expel air and bind the clay together.

### ★ Step 2/5

Using a scalpel and your templates, cut a 5cm-wide triangle from the black clay. From the white clay, cut a 3cm-wide triangle. Place the white triangle on top of the black, leaving no space at the top.

### ★ Step 3/5

Bake 30 min at 110 degrees.

#### Step 4/5

Sand with 1000-grit sandpaper in soapy water, then polish with micro-mesh polishers. Drill 2 holes 5 mm from the edge on the top of the pendant.

---

#### Step 5/5

To assemble, pass the rings through the holes, cut 2 lengths of 20 cm from the chain and place the wire ends at each end. Hang 2 rings, then your clasp.
