How to make a pair of golden earrings?

Want a nice pair of earrings for this summer , but no idea? We have what you need ! Dangling earrings in turquoise and gold colors, the perfect match!

Are you a beginner in creation? Do not panic, this tutorial is a simple assembly and does not require any particular technique. To help you, just a little reminder on [How to open a ring?](#)

You can of course adapt the colors of the turquoise sequin by choosing from [all our gemstone sequin references](#) on our site.

Very quick to make, [pliers](#) , a ring and a little [glue](#) are enough!

We stop talking and we tell you what to do right away! Find the list of equipment at the bottom of the page

The stages :

Step 1 : Start by gluing your square element on your gemstone sequin using a dot of Hasulith glue. Repeat for the second sequin. Leave to dry for a few minutes

Step 2 : Using a pair of pliers open your rings and insert the sequin, the golden hoop and the ear stud then close!
Ditto for the second earring.

That's it ! Your pair of earrings is already finished! We didn't lie to you ... 10 minutes high.

Do not hesitate to show us the result of your creation by posting a photo on our social networks: [our Facebook page](#) and [our Instagram page](#)
