Tutorial make a chain necklace
On the occasion of the release of a new country with us, the Perles & Co studio (which offer us a lot of possibilities), our dear partner [Lagat](#) has produced a series of three tutorials for you to put of earrings, a bracelet and a necklace with absolutely [glass beads by Pura](#).
The three projects made can, if you wish, complete a complete set or quite distinct pieces in various colors. So to personalize your jewelry with pearl colors that suit you go to our site to discover all [the different colors](#) on our site.
These projects are relatively simple to do and therefore accessible to beginners in the field. To make the other pieces of the set with Beadco spacers, discover our other tutorials:
