How to make a beaded Christmas ornament?

You too, you want a unique Christmas tree? Well, we have the perfect tutorial for all DIY Christmas decor lovers. So if you're the kind of person who imagines your holiday decorations in advance and collects original Christmas ornaments, you're in the right place! Find out without further ado how to create a Christmas ornament yourself with beads by Puca.

Puca beads is a wide range of glass beads designed by the creator Puca. The different shapes of beads fit together and connect to each other perfectly to create original jewelry and accessories. There are a multitude of colors and effects in all the bead shapes. For the realization of this Christmas ball, we suggest the combination of Amos, Samos, Piros and Arcos beads in the traditional colors of Christmas, red and gold. Of course, the possibilities are numerous and it is up to you to opt for other colors of beads. Customize your decoration according to your desires and your color theme.
