Tuto: Glass beads pendant by Puca

Whether you are an expert or a beginner in the making of handmade jewellery, Puca invites you to discover glass bead weaving.

It is on the occasion of the release of new colors of cabochons by Puca, that she offers you the design of a special Valentine's Day pendant! This is a great way to start bead weaving while showing your love to your loved ones, because Valentine's Day is also the occasion to please your mother, your best friend or yourself. The choice is yours!

And as you know, you can of course change the colours used by looking through all our references of cabochons by Puca as well as all our Arcos and Helios glass beads by Puca! And to mount your pendant on a chain, we let you choose the one you like the most from among all our gold fantasy chains.

To make this pendant, download the document below and follow the steps step by step. And don't forget to show us the result of your creations by publishing a photo on our social networks: our Facebook page and our Instagram page.

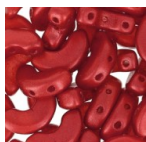

Attention! For stock reasons, some references have been replaced by similar ones.
