*How to make a bracelet with fabric bias?*

How to make a bracelet with fabric bias?

You've spotted this pretty bias from Atelier Brunette, but you don't know how to sew or what to do with it? What if you used this bias fabric to make a DIY bracelet? That's what we suggest in this DIY tutorial: make a sliding bracelet with bias fabric.

This bracelet tutorial is very easy to make. It is important to read our technical sheet to learn how to make a simple sliding knot. Thanks to this knot, you will be able to adjust the size of your bracelet.

We have a large choice of bias, you can choose the color that suits you, you can for example make a bracelet with a bias Liberty The possibilities are numerous, have fun!

Do not hesitate to show your creations on our Facebook page, in the super club group of Perles & Co customers or on Instagram by quoting us with @perlesandco or with the #perlesandco.

## Which material to use for Sliding bracelet with gold-plated star charm?

### SUPPLIES

10mm Atelier Brunette Viscose fabric bias - Seed Chestnut x1m  
Ref. : CRD-310  
Quantity : 1

6mm Worked Cube Bead - 3 micron Gold plated x1  
Ref. : PLO-042  
Quantity : 2

5x0.8mm Open Jump Rings - 3 micron Gold Plated x4  
Ref. : PLO-068  
Quantity : 1

14x12.5mm Star pendant - 3 micron gold plated x1  
Ref. : PLO-070  
Quantity : 1

## steps

### ★ Step 1/2

Iron your bias to mark the fold and flatten it well.  
Insert the gold-plated tubes in the bias. To make it easier for you, it is recommended to put a small piece of tape at the end of the bias, it will be easier for you to put the bead on the ribbon.

---

### ★ Step 2/2

Make the sliding knot with the help of our technical sheet. Make a loop with the bias, then wrap the bias around the bias and pass it through the loop.

Do the same for the second slip knot.  
Add the star charm in the middle and your fabric bracelet is finished.
