How to make a round glass beads pendant by Puca?

On the occasion of the release of the Delos beads, the little ones imagined by Puca, discover without further ado how to weave a pretty pendant with these beads in their original shape. Similar to a crown, these beads will allow you to weave unique jewelry by marrying together several models of glass beads by Puca .

In this tutorial, learn how to weave the Delia Pendant made of Delos, Arcos and Minos glass beads by Puca. To do so, simply download the [pattern](#). Find at the bottom of the page other ideas of color associations and choose among all our references your favorite colors of Delos, Arcos, and Minos beads.

And don't forget to show us the result of your creations by publishing a photo on our social networks: our [Facebook](#) page and our [Instagram](#) page .

Which material to use for Glass beads Delia pendant Delos by Puca?
