steps

★ Step 1/3

In this first step, and after installing the warp threads on the loom, we will weave the faceted bohemian, miyuki delica 8/0 and rocailles miyuki 8/0 beads on the loom.

★ Step 2/3

Once the weaving is finished, you have removed it from the loom and made the knots, we will in this 2nd step add the superduo on both sides of our weaving.
Once the weaving of the superduo is finished, we add the miyuki beads 8/0 .

★ Step 3/3

The last step is to put your Hiilos clasp on each side of the bracelet to finish it.
