DIY: Make a bracelet with Arcos glass beads by Puca

Do you want to try your hand at beading? You're at the right place!

Puca offers you to make a nice bracelet with curved shapes for the release of its new colours of Arcos beads.

Discover step by step how to assemble the Arcos beads in one direction and in the other to give life to a pattern that repeats itself on the whole length of the bracelet.

Simply download the [diagram](#) to obtain the PDF document with all the explanations. Discover at the bottom of the page other color associations.
