## DIY: make a beaded pocket divider

Puca offers you a small collection of tutorials to customize your beautiful bamboo objects with glass beads by Puca and Miyuki beads , to give them a little originality. Follow the detailed step-by-step explanations in this tutorial. To go further, discover also the other tutorials of the collection :

- [DIY Bamboo napkin ring with glass beads by Puca](#)
- [DIY Glass bead mystery box by Puca](#)

You will find in the material list all the items you need to make the two bowls. If you want to make several bowls, remember to adjust the quantities of the bamboo bowls. On the other hand, a bag of [Piros](#) and [Arcos](#) by Puca glass beads can be used to make several pieces.

You can of course let your imagination run wild and change the colours by choosing from all the references available on our site.

Don't forget, we love to see the result of the creations made with our tutorials, so don't hesitate to show us your creations on our Facebook page, in theatations on our [Facebook page](#), in the Super clubof [Perles & Co customers](#) or on Instagram by quoting uswith [@perlesandco](#) or with the [#perlesandco](#).
