

DIY DAISY BRACELET WITH 6/0 SEED BEADS AND SLIDING KNOT

By : Lucie T Perles&Co

Easy

10 minutes

HOW TO MAKE A BRACELET WITH MOTHER OF PEARL DAISIES ?

Discover in this tutorial how to easily make a daisy bracelet in macramé. Embellish your jewelry with a small mother-of-pearl daisy to bring a little spring/summer, sunshine, and country happiness in your outfit. In this tutorial, you will learn how to assemble the mother-of-pearl daisies one after the other on a macramé thread to make a nice piece of jewellery ending with a simple slip knot. The slip knot is one of the easiest knots to make in macramé, so this tutorial is really doable by designers of all levels!

This little bracelet would also be nice with little golden grigri charms or heishi rings in between for a colorful, personalized piece of jewelry that looks like you.

Don't forget, we love to see the result of our creations thanks to our tutorials, so don't hesitate to show us your creations on our Facebook page, in ourations on our Facebook page, in the group Super clubof Perles & Co customers or on Instagram by quoting us with @perlesandco or with the #perlesandco.

steps

★ Step 1/1

For this tuto, it's super simple! You just have to string the beads and then make a macramé slip knot. To do this, we advise you to follow this technical sheet which will explain everything in detail: [TechnicalSheet - Learn to make a macramé knot](#)
