How to make a pearl bracelet?

Christmas is not so far away and you lack of inspiration on the choice of your jewelry but also on the gifts to offer to your loved ones. Puca has the solution, why not, offer or put this year handmade jewelry, a gift idea that is always pleasing. Puca is always there to help you choose even during this period! Today she suggests you to make a bracelet with glass beads.

In this tutorial Puca shows you how to make a beaded bracelet with Delos, Kherops and Kalos beads and with a touch of PureCrystal beads and Miyuki beads. A perfect contrast between dark blue, gold and crystal. Colors that will go perfectly with a little black or navy blue dress.

Not a fan of this blue, opt for other colors, all possibilities are possible for this bracelet, choose among all references of [glass beads](#) on the site! We'll give you some ideas for variations:

- Choose more traditional colors to recall Christmas like red and green
- Opt for silver to dethrone gold
- Choose another fastener like this [buoy clasp](#)

For those who prefer a particular color of PureCrystal, make your choice among all our references.

Psst: [These beaded macramé creoles](#) are perfect to match with this bracelet!

Now it's your turn. Follow the steps in the diagram.
