### *How to make pearl earrings ?*

MayAnd yes Puca is still here to please you with its new products. To celebrate this, this time Puca offers us to make Maïdo earrings in a hanging version. A perfect jewel for parties or for any occasion, for a shopping trip or just for a walk, any occasion is good to wear them.

In this tutorial, Puca shows you how to assemble several types of beads to form a beautiful pair of earrings. A mix of glass beads, Delos, Kalos, and Samos with spinning tops, round beads and Miyuki Rocailles. With a little black dress and a bun, these earrings are ideal to highlight your head.

Of course, you are free to imagine and create your own version of these earrings. For this jewel all the associations of colors are multiple, to you to let your creative side emerge, make your choice among all the references of glass beads. Puca has put another color idea in the result picture. We also give you some ideas of variations:

- Go for silver instead of gold
- Choose a different color for each type of beads
- Choose more sober colors like white delos

And if you are a fan of Delos, make the "Danie" necklace

Now it's your turn to create them! Just download the pattern and follow the steps!
