How to make a home decoration ?

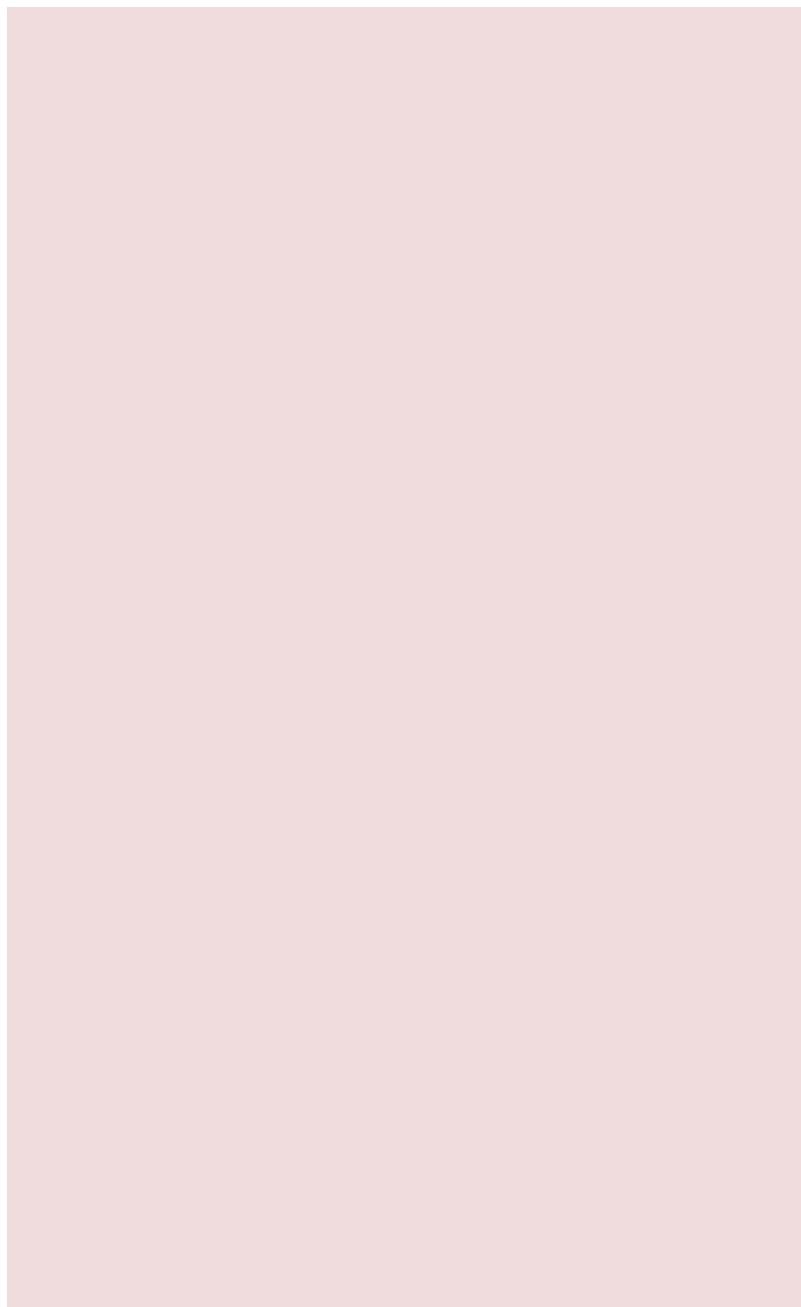

The Moon, a strange satellite of the Earth, looking at us from the sky and fascinating us. Its roundness and softness make it a perfect motif to decorate its interior and especially a room ... to have the head in the stars.

Thanks to Léa from the [Rose Poudrée](#) YouTube channel, you will discover three simple tutorials to create a photophore , a mouse pad and a luminous cork board in a very "moonlight" universe.

You will find below the detailed list of the material necessary for each decorative object:

THE BOUGEOIR

- Candlestick
- Effect painting
- Needle
- Brush

THE LUMINOUS MOON

- Cork plate
- White acrylic paint
- Black acrylic paint
- Sponge
- Garland
- Needle
- Brush

MOUSEPAD

- Cork plate
- White fabrics
- Transfer paper
- Glue

We would love to see how you decorated your home with these tutorials ... so do not hesitate to send us photos on [Facebook](#) or [email](#) , it may inspire other people!

NB: Attention, the list of products below is not completely in conformity with the picture of presentation. For stock reasons, some products in this tutorial have been replaced by equivalents.
