How to make a pregnancy bola?

Who says new year, says new collection of the month! And yes, to start January well, what better way to create trendy jewelry. As you have seen, it is composed of large links. Coloured, sober, golden or silver version, there is something for everyone. So come and see the "Tendres mailles" collection.

In this tutorial come and learn how to make your pregnancy bola easily and quickly. It is a necklace with a pendant that contains a small bell that allows the baby to hear the sound inside the belly. A mix of materials between the bola, the pompom, the teddy bear and the big links. A very cute and colorful set that fits perfectly. For beginners in jewelry assembly, please consult our technical sheet: [Form a loop on a jewelry nail](#)

Of course, it is up to you to imagine and create another version of this tutorial. The combinations of colors and materials are infinite, it's up to you to choose the colors that suit you. You want to change camp by swapping the silver by gold, it is possible, we put you an idea of creation in photo. Choose brighter colours for [the big links](#) among all the references on our site. Choose [an orange pompom](#) instead of pink.

steps

★ Step 1/5

Open your ring and hang it on the tassel

★ Step 2/5

Thread the teddy bear on the nail. Fold it at 90° using the pliers, starting from the bead.

Cut and wrap the rod around the round ends in the opposite direction of the right angle.

Then add a small ring to this loop.

To help you, consult our data sheet: [Forming a loop on a jewellery nail](#)

★ Step 3/5

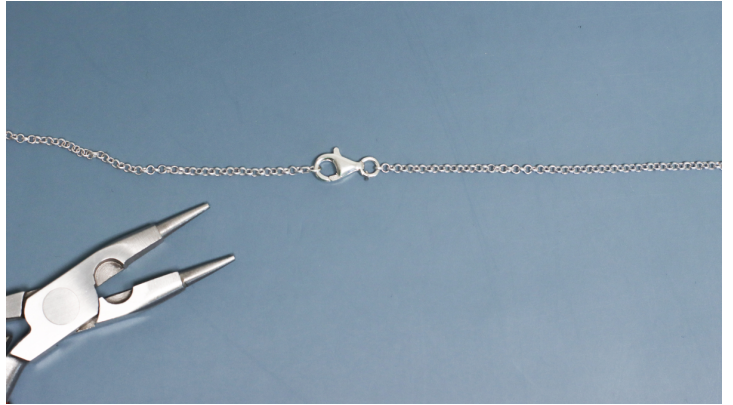

Insert the chain, the teddy bear and the pompom in the ring of the bola.

And that's it!

★ Step 4/5

Cut the chain. Add a small ring at the beginning of the 2 ends of the chain. To these 2 small rings add 1 large ring. Then insert the 3 links

★ Step 5/5

Cut the chain where you want your attachment. Add 1 small ring to an end cap. Then add the carabiner.
