How to make a barrette with beads?

Want to add a touch of originality to your hairstyles? Start creating DIY head jewelry with Puca. Discover in this tutorial how to make the "Salsa" barrette with Arcos glass beads by Puca andMiyuki seed beads. It's the perfect accessory to highlight your hair (short or long) in detached version, just to group some strands on the back or on the side to reveal your face. Have fun with this jewel and vary it according to your favorite colors, the color of your hair and your clothing style.

In this tutorial Puca shows you how to personalize a hair clip holder with glass beads in 3 steps:
- assemble the beads with the weaving technique
- glue the whole thing on felt
- fix the felt on the hair clip holder

Want to complete your hair accessory collection? Check out our other tutorials and make your own:
• Miyuki pearl weave hair clip
• DIY pearl, rhinestone and PureCrystal cabochon hair clips
• Miyuki Delicate beads hair clips with flowers in relief

NB: For stock reasons the material list may contain references equivalent to those presented in the tutorial.
