The feast of lovers is looming and to celebrate the occasion, Emmanuelle blog [MamZelleLulu](#) offers to make this pair of hedgehogs with Mr. Hedgehog and his pretty blue bow tie and Mademoiselle Hedgehog with his pink hair pin. This pair of lovers is really adorable and we imagine this weaving mounted pin.

For beginners, you may be wondering How to make a brick stitch weave with Miyuki pearls? Do not panic! Go to our [technical sheet](#) to learn how to weave pearls and learn [how to make a brick stitch weave with increase and reduction](#)?

A big thank you to Emmanuelle for sharing the diagram and her explanations step by step. If you want to weave other cute designs, visit our page dedicated to [Miyuki pearl weaving](#).

The realization of this pair of hedgehogs is done row by row starting from the central part. The weaving will therefore take place from the center (A) to the left (B), then from the center (A) to the right (C).

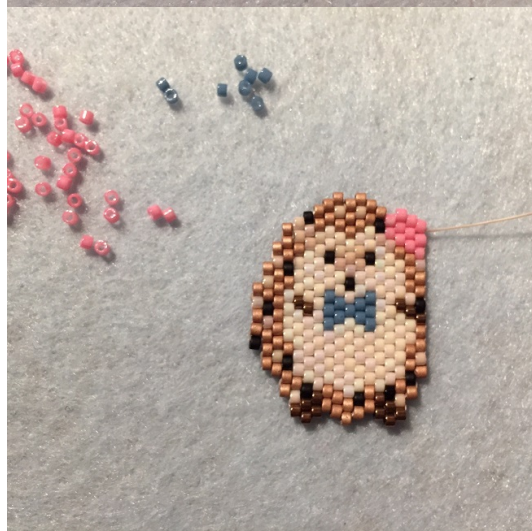

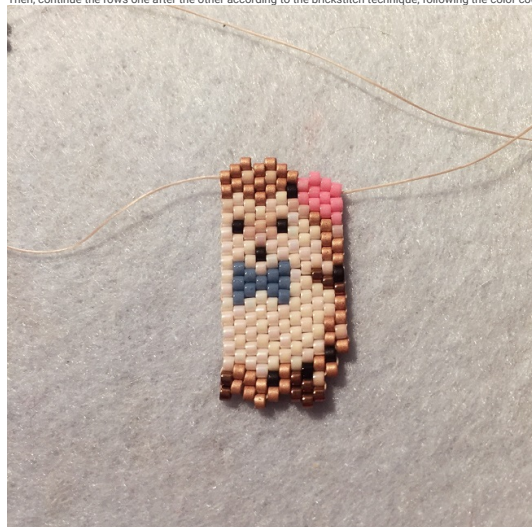

STEP 1

Cut a length of wire about 1 meter. You will begin with the realization of the left part (Monsieur Hérisson).

Note, you will have to take the thread to realize the right part.

Start by mounting the central row according to the technique of the ladder.

Then, continue the rows one after the other according to the brickstitch technique, following the color codes of the weaving grid.

2ND STEP

Once Mr. Hedgehog realized, stop the remaining wire by ironing it in some pearls. Cut the thread flush with the beads.

Take again a length of wire about 1 meter. You will now realize the right part (Mademoiselle Hedgehog). Pass the thread under pearls to block it and leave at the beginning of your weaving (central part A). Continue the rows one after the other as before.

Once Mademoiselle Hedgehog is finished, stop the remaining thread by ironing it in some pearls. Cut the thread flush with the beads.

STEP 3

If you want to wear your little duo in spit, brush the back with glue. Place the pin and wait for complete drying.

The weaving is finished. What do you think of this loving couple? At Perles & Co we fell in love with this cute pattern. Mounted brooch, this weaving will be perfect to be worn on Valentine's Day (or after all for any other day ... because we are not in love (only) February 14 ...!).

We would love to see your version of this brooch ... so do not hesitate to send us your photos on [facebook](#) or [email](#), it may inspire other people!
