How to make pearl earrings ?

Today, Puca is back with new features and a new design! Everything to make you happy. The Amos are in the spotlight, a teardrop-shaped bead. Perfect to create original creations and let your imagination run free. Ideal to bring the flowery touch and put some color in your outfit. Finally, these earrings are perfect for the season so you will crack?

In this tutorial, discover how to make the "Flowers of March" flower shaped earrings with different beads. You will find Samos glass beads, Amos, Miyuki seed beads, PureCrystal Mesh and spinning tops. All of course woven together with Fireline thread for a nice look. Customize this jewel according to your desires, make your choice of colors among [all the glass beads](#) on our site. And if you want another inspiration, Puca shows you these earrings in pink and gold at the bottom of the page.

Fans of flowered earrings, but also of Puca's patterns, come and have a look at her tutorial on [Cosmos earrings with seed beads and glass beads Amos and Piros by Puca](#)

NB: For reasons of stock it is possible that the list of material is modified and that some references have been replaced by equivalents.
