How to make pearl earrings ?

Konos! A beautiful name for an extraordinary glass bead, perfect for original and colorful creations. Puca is always here to share its novelties with you. After the Kalos, the Paros or the Samos, this latest addition to the collection of glass beads. To make you discover the Konos bead, she shares with you today the K'adore earrings pattern. In this tutorial, Puca shows you how to assemble three different shaped glass beads, Delos, Kalos and of course Konos with Miyuki seed beads to form dangling earrings. Perfectly combine the blue, gold and rhinestones. A perfect jewel to wear everyday, at a wedding or to give as a gift, to your mother for example. Want more choice of color, no worries, we slip you all [references of glass beads](#) on our site. À It's up to you to choose your favorite. Psst: For those who are tempted to have a set, assemble these earrings with the [K'Atie necklace with Miyuki seed beads and Konos glass beads, Baros by Puca](#), for a beautiful result.

NB: For stock reasons it is possible that the list of materials is modified and that some references have been replaced by equivalents.
