*How to make a pearl key ring?*

Today, Puca does not propose to make a jewel but an original accessory to hang anywhere you want, on a handbag, on your keychain or your phone. Everything is possible, even using it as a pendant. With its pearl face, the Miss Coco keychain will highlight you and your outfit.

Puca shows you how to weave around the wooden Jeff support different elements: glass beads, Miyuki (rocailles and delicats), a pompom ect. The whole thing is put together for a beautiful result that will seduce you we are sure. When it comes to choosing the right colors, we trust you. Go on an adventure and discover all the colors of pompons and glass beads available on our site. For more color and originality you can opt for a pastel pink oval clasp.

Now it's up to you to let your creativity run free. Grab your needle, your beads 3...2...1.... Let's go !

NB: For stock reasons it is possible that the list of materials is modified and that some references have been replaced by equivalents.
