How to make a pearl cuff bracelet?

Want to create a colorful beaded cuff bracelet? Start making this tutorial by Puca! The glass beads by Puca, used in this tutorial, allow you to make original jewelry (necklaces, bracelets, earrings, ...) with unique combinations. To create this cuff bracelet, Puca used Samos, Arcos and Kalos glass beads. You can find all the materials needed to make this jewel at the bottom of the page.

Discover all the steps to make the bracelet "Indira" by Puca in this tutorial. You will learn how to use the different beads by Puca and how to use other types of beads such as seed beads or spinners to create a perfect harmony. The material list is for a 17 cm bracelet. You can adjust this measurement to your liking by adding or removing one or more repeats of the pattern. Puca offers you pink and gold colors. At the bottom of the page you will find a variation with green and gold colors (everything you need is in the material list). You can of course choose other colors according to your taste and your desires of the moment! Check out our PureCrystal and Miyuki Rocailles range for even more choices!

And if you have some beads left, don't hesitate to have a look at this tutorial also made by Puca to enlarge your collection!

NB: For stock reasons, it is possible that some references in the material list have been replaced by equivalents. Download the pattern : Bracelet "Indira" with Samos, Kalos and Arcos beads by Puca
