### ★ Step 1/4

Cut the wire to the desired length, thread the squeeze bead, then pass your ring through. Pass the wire again through the bead to be crushed and then crush with a pair of pliers.

On our tuto, the necklace is 43 cm in total.

### ★ Step 2/4

Thread the Rhodochrosite beads on 16 cm then integrate the mini petal charm then again the Rhodochrosite beads on 1 cm, then the mini petal charm and Rhodochrosite beads on 1 cm.

### ★ Step 3/4

Continue stringing the cube beads following the pattern in our photo.

Two cube beads, two cone beads, two cube beads, the central tube bead, two cube beads, two cone beads, two cube beads.

### ★ Step 4/4

Continue your necklace symmetrically, then finish with a crush bead and clasp.
