How to make pearl earrings?

In this tutorial Puca proposes you to make a new pair of pearl earrings by Puca. Learn how to create the Mam'zelle model imagined by Puca! In this tutorial, you will mix Arcos by Puca beads with Minos by Puca beads as well as other types of beads such as PureCrystal spinners and seed beads. Assemble them into a diamond shape and finish by hanging a drop of your choice as a pendant. Many colors are available in the Les Perles par Puca range, so you can make any variation of your choice according to your desires of the moment! See below for other suggestions such as turquoise, royal blue, orange or pink.

And if you are a fan of glass beads tutorials by Puca and you liked this earrings tutorial, don't hesitate to have a look at our other glass beads tutorials by Puca. You will find many projects (necklaces, pendants, earrings, rings, keychains) to be declined endlessly.
