An easy DIY and to realize in less than 10 minutes ... it tempts you?

Here is a tutorial to make a nice pair of earrings with a gold print, a Cauri shell and pompoms. Easy to wear, these bows will blend with your everyday outfits. It's up to you to customize this tutorial by choosing other colors of pompoms .

Do you know cowrie shells ? They have long been a bargaining chip in West Africa and were used in traditional costumes. They also represent a symbol of femininity and would also have a divinatory power ...!

With this step by step you will learn how to make a jewel with a natural cowrie shell in a feminine and chic style.

The Perles & Co team would be delighted to see your achievement of this jewel! Feel free to send us photos of your creation on our [Facebook](#) page: it may be chosen and published to inspire other people!

STEP 1

Pass a 7mm ring in the cowry and then hang it in the hole of the studs.

2ND STEP

Pass a ring in each pompom, place the cream in the middle at the bottom of the print then on its sides add the 2 others.

NB: Attention, the list of products below is not completely in conformity with the picture of presentation. For stock reasons, some products in this tutorial have been replaced by equivalents. Ear studs have been replaced by an equivalent gold-filled version.
