How to make a necklace with pearls?

You want a fancy pearl necklace but you are out of ideas? Discover in this tutorial from our partner, Les Perles par Puca®, how to make a necklace with flat beads. Thanks to this Opaline pattern, you will learn how to combine Kos by Puca® beads and Kheops by Puca® beads, with Miyuki Seed beads. This colorful pearl necklace will be perfect to start the spring/summer season which is coming soon. It will enhance a classic everyday outfit or bring a special touch for an event (wedding, birthday, party, ...).

Puca has chosen to make this necklace in turquoise and gold colors. You can follow this scheme by using the same colors as Puca or let your imagination speak. For that, discover our whole range of [Kos](#) and [Keops beads](#), you will surely find your happiness! And if you want to make this necklace as a gift, I advise you to add an extension chain to adjust the size of the jewel.

If you enjoyed this tutorial and would like more inspiration, I invite you to check out our other [beaded necklace tutorials by Puca®](#). And don't hesitate to share your creations with us on social networks.
