How to weave pearls?

Our partner Les Perles par Puca® offers you a new scheme to learn how to create a pearl that you can use in many different ways: necklace, earrings, bracelets, pendants, ... All you have to do is choose the corresponding primers and your jewel will be finished. You'll learn how to weave Samos by Puca® beads with faceted and seed beads, in green and silver colors . But you're free to make this tutorial your own, in any color you like. We have a wide selection of Samos by Puca® beads on the site.

If you like this pattern, Puca has made other bead tutorials that you can combine to make a pretty keyring, for example. Here are a few of them:

- Anny bead with Samos beads by Puca® (ideal if you have any Samos beads left over from the Lolly pattern)
- Kalo pearl with Kalos and Arcos pearls by Puca® (ideal if you have any leftover Samos pearls from the Lolly pattern)
- Atina bead with Helios beads by Puca® (ideal if you have some Samos beads left over from the Lolly pattern)
