

## SEED BEAD LEAF NECKLACE

By : Perles & Co

Intermediate

2h

*How to create a leaf necklace with pearls?*

We're in the middle of autumn, a season when warm colors and varied landscapes inspire us to create. Leaves are falling, temperatures are dropping, and it's the perfect opportunity to get those beads out of your closet and get creative. Why not mark the occasion with a new beaded necklace inspired by autumn leaves? Here's how to make a leaf necklace with 8/0 seed beads, perfect for this autumn season. This tutorial is at an intermediate level, but if you're new to jewelry-making, you can make this leaf necklace by carefully following each weaving step.

This tutorial was created by Jana Shweiki, ambassador of the Precio Ornela bead brand. The necklace and earrings are made with the new Terra Intensive Lining pearls. These pearls have been tested for resistance to washing with water and alcohol, and laboratory analysis has confirmed that human sweat does not affect their coatings. To preserve their quality, we recommend avoiding detergents and not exceeding a temperature of 40°C. When used with a thread, no color abrasion is observed at the holes. What's more, they are dyed with ecological, water-based dyes.

If you'd like to personalize your seed bead necklace even further, you can opt for other bead colors from our extensive catalog. In this way, you can adapt the necklace to your tastes and outfits. This necklace comes with matching earrings. You can wear both together or one at a time, as you prefer. This necklace will be the ideal accessory to add a touch of color to your seasonal outfits, whether for special occasions or to brighten up your everyday looks. So why not embark on this creative adventure to end the year?

If you like jewelry with foliage and floral motifs, you'll certainly enjoy this tutorial: [Hubble stitch double bracelet tutorial](#).

Thanks again to Jana Shweiki and Preciosa Ornela for this free tutorial. You'll find step-by-step instructions in the downloadable PDF. Press the "Download Schematic" button below. The earrings and clasp suggested in the material list are not the same as those shown in the photo.

We look forward to seeing your creations! Feel free to send us photos of your leaf necklace and share them on [Facebook](#) and [Instagram](#) by tagging Perles & Co or using [#perlesandco](#)
