How to create a festive bracelet with glass beads?

Khéops® pearls are celebrating their 10th anniversary today! To mark this special occasion, our partner Les Perles par Puca® has come up with five exclusive new pieces of jewelry, perfect for joining in the festivities. Today, discover how to make the elegant Aya® bracelet, which highlights the beauty and simplicity of Khéops® pearls. For this jewel, Puca® used blue and gold pearls, but if you feel like playing with colors, it's perfectly possible! Choose your favorite shades of Khéops beads from those available on our site. The possibilities are endless! Give free rein to your creativity and personalize your bracelet according to your desires this year-end, or even as a unique gift for the festive season.

Download the schematic here: [Aya bracelet by Puca®](#).

If you love reproducing these kinds of creations, let yourself be tempted by other tutorials by Puca® to create refined jewelry. Don't hesitate to share your bracelet on social networks and tag us with #Perlesandco !

NB: for reasons of stock, it is possible that the list of materials has been modified and that certain products have been replaced by equivalents.
