How to create a glass bead ring?

Khéops® pearls celebrate their 10th anniversary today! To mark this special occasion, our partner Les Perles par Puca® has come up with four exclusive new jewels, perfect for joining in the festivities. Today, discover how to create the elegant Lotus® ring, which highlights the purity and simplicity of white Khéops® pearls .

For this jewel, our partner used pearls in white and gold, but if you feel like playing with colors, it's perfectly possible! Choose your favorite shades of Khéops® pearls from those available on our site. The possibilities are endless! Give free rein to your creativity and personalize your bracelet as you wish this year, or even as a unique gift for the festive season.
