How to create a bracelet with beads by Puca®?

Our partner Les Perles par Puca® offers a brand-new tutorial to coincide with the launch of its new beads: the trendy Volos® range. Discover how to make the Lady® bracelet, available in several colors. This tutorial is aimed at intermediate beadmakers, but if you're new to beading, be sure to follow the instructions detailed in the diagram below.

Volos® beads in shuttle shape will enable you to create original and elegant jewelry. They can also be combined with other beads by Puca® to create a wide variety of beautiful creations! Thanks to the wide range of colors available, you can personalize the Lady® bracelet to suit your tastes. This very chic piece of jewelry can be worn with a sober outfit, such as a pretty white dress, to highlight its color.
