How to personalize creoles?

For spring, create your own creole earrings in a trendy color: brown. Earrings are a sure bet in DIY jewelry. For a chic, trendy touch, we suggest you make them with brown-tinted beads. Quick and easy to make, these beaded creoles are perfect for any occasion, whether bohemian, sophisticated or casual.

Would you like to make other jewelry pieces in brown tones? Take a look at [our brown jewelry tutorials](#), and you'll easily find something to match your DIY jewelry. And to keep with the gemstone theme, check out our [La Bohème](#) collection of the month, full of chic natural stone jewelry!

To make these creole earrings, all you need are :

- Créoles to decorate 35 mm
- Gold-plated round beads 3 mm
- Tiger's eye round beads 3x2 mm
- Smoky quartz oval faceted charms
- Golden stopper beads 3 mm
- Round faceted charms Tiger's eye 3 mm

The advantage of this DIY jewelry is that you can personalize your creoles to suit your tastes, changing colors, materials or stones... For example, why not go for a trendy pinkish-red hue? With a [garnet-colored oval charm](#), [imitation carnelian rondelle beads](#) and [rhodonite charms](#), you've got everything you need to personalize these DIY earrings! For more inspiration, take a look at our [Autumn-Winter 2025 trend colors](#) datasheet.

If you make these creole earrings, feel free to share your photos on Facebook or Instagram by tagging us! We look forward to seeing your creations.

Which material to use for Natural stone beaded hoop earrings?
