*How to make a bracelet with a red heart chain?*

Whether as a gift or a treat for yourself, this bracelet is an ideal choice to brighten up an outfit and add a little tenderness to your life. The red epoxy resin hearts chain bracelet features a fancy gold mesh chain, perfect for adding style to your wrist. The red epoxy hearts add a touch of color that contrasts well with the gold. The T spiral clasp, in fine gold plated, makes for easy closure, while adding a little extra detail to the bracelet.

Perfect for beginners in costume jewelry design, this bracelet is simple to make. This is a typical tutorial that you can follow with lots of other chains. If you like this style of chain, we offer a range of [costume chains for DIY jewelry-making](#). You'll find daisy chains, ideal for spring jewelry, or chains with epoxy resin beads.

Most of these chains are made of gold-plated brass. Over time, costume jewelry can oxidize, so if you want to preserve your chain bracelets for a long time, don't hesitate to consult our tips for preserving your jewelry: [How to clean and care for your costume jewelry?](#) Above all, avoid contact with water, cosmetics, sweat or household products, which can alter the shine of your jewelry. Store them in a dry place, away from humidity and rubbing.

This red hearts bracelet is perfect for enhancing a simple blouse or sweater. It's easy to match with all kinds of outfits, whether for casual chic or a dressier look. With its delicate design, it fits in well with the trend for minimalist, romantic jewelry. You can wear it alone for a discreet effect or combine it with other costume bracelets for a layered effect. It goes well with fine rushes, gold chains or even a [Seed beads heart bracelet](#) for a contrast of materials. If you'd like to make matching [heart earrings](#), take a look at the linked tutorial.

This model is also an original gift idea for someone who loves handmade jewelry. It can be given for a special occasion, such as a birthday, Valentine's Day or simply to please someone. With its delicate, romantic style, it will appeal to those who love elegant, easy-to-wear jewelry.
